

Missouri River Corridor Special Initiative

Nebraska WREP (Wetland Reserve Enhancement Program) Coming to the Missouri Recreational River!

- ✓ All land in floodplain corridor up to 1 mile from high bank of the Missouri River automatically eligible. Includes deeded land below high bank.
- ✓ Additional acres eligible for enrollment based on site specific qualifications.
- ✓ Cost-shared habitat restoration (up to 100%) possible.
- ✓ Ownership and access maintained with no public provisions.
- ✓ Management decisions made cooperatively.
- ✓ Offers based on recent real estate markets on 4 different land use classifications.
- ✓ Various easement opportunities = Conservation assistance and \$\$\$ in your pocket!

To apply or if you need additional information, please contact Theresa Smydra with NRCS/Missouri River Futures @ 402-254-6858 x114.
